

FAIR TRADE:

is an equitable and fair partnership between marketers in North America and artisans and farmers in the Global South (Africa, Asia, Latin America). Fair Trade means:

- Paying a fair living wage
- Supporting worker-owned, democratically run cooperatives and small businesses
- Offering employees advancement opportunities
- Providing equal opportunity employment, particularly for the most disadvantaged
- Engaging in environmentally sustainable practices
- Being open to public accountability
- Building long-term trade relationships
- Providing healthy and safe working conditions
- Providing financial and technical assistance to producers
